

## CaRe-Lands

The INTERREG 2 Seas Programme Authorities and the CaRe-Lands cluster partners have the pleasure to invite you to the conference:

# “Going Green: Carbon reduction through nature”

Tuesday 24<sup>th</sup> and Wednesday 25<sup>th</sup> of June 2014  
Grandhotel ter Duin, Burgh-Haamstede, The Netherlands

### Programme-preview:

#### Tuesday 24<sup>th</sup> 13.00 – 18.00 hrs: Study Visits

- Inspirational visits to:
  - The Grevelingen Lake area
  - The Biesbosch National Park

#### Wednesday 25<sup>th</sup> 09.30 – 17.00 hrs: Conference

- The role of nature and rural areas in meeting Carbon reduction targets. Key note speakers:
  - **Mrs Jacqueline Cramer**, former Minister of Environment, The Netherlands
  - **Mr Will Day**, former Chairman of the UK Sustainable Development Commission
- Project show case from EU partnership projects and companies presenting the latest technologies and rural land management techniques in promoting carbon reduction and renewable energy.
- Project presentations: Tidal Energy Centre Grevelingen (NL), Biomass (UK), sustainable exploitation of the Zwin Nature Center (BE), Harbour of the Future (NL), Inspiration Center Grevelingen (NL), Pines Calyx (UK).

The official invitation with full programme details and how to register will follow shortly.

Outcome for participants – Understand the latest developments in carbon reduction in valuable nature and landscape areas. Network with professionals from England, Belgium, France and the Netherlands!

## Save the date!

The bilingual conference (NL / ENG) is free of charge although booking is essential. For English and French speakers, simultaneous translation will be available.

The CaRe-Lands project gathers the following 2 Seas projects:
